3. Lifeline Assistance Program (Continued)

3.4 Link-Up Program

The Link-Up Program is a connection assistance plan that provides reduced charges for qualifying customers for access to the network. The rates for initial installation/activation of service already include credits reflecting the Federal low-income support that the Company receives for providing the service. Only one Link-Up credit is available to each qualifying household. The Link-Up credit available for this Plan, which has an Initial Set-Up Fee of \$36.00 per phone, is \$18.00.

Customers who qualify for Tribal Lifeline are eligible to receive an additional expanded Link-Up benefit of up to \$70.00, in addition to the Link-Up credit. The additional benefit of up to \$70.00 will apply toward 100% of the Initial Set-Up Fee.
